

## Compass Sport Cup & Trophy – Scottish Heat – Dunrod Hill Final Details – 17 March 2019

**Location:** Greenock Cut Visitors Centre, Muirsheil Country Park, Loch Thom, Inverkip, PA16 9LX (**NS247722**)

**Travel:** The roads around the Greenock Cut Visitors Centre are single track. To aid traffic flow we request that competitors access the area via Dunrod Road approaching the visitors centre from the west. For this route, leave the A78 south west of Greenock, about 1km beyond the old IBM factory turn-off if travelling from the north, or 1km beyond the Gourrock turn-off if travelling from the south. This road is signposted for the Greenock Cut Visitors Centre.

Leaving the competition we request that competitors use the Old Largs road, round Loch Thom and then right for Largs or left for Greenock.

**Parking:** At the Visitor Centre. Please park as directed as space is tight. Please share cars where possible.

**Safety:** Competitors take part at their own risk & are responsible for their own safety at all times. The area is high and very exposed. Please wear adequate warm clothing for the conditions, and bring a cagoule and a whistle to the event.

In the event of bad weather, the Organiser may require all competitors to carry a cagoule and a whistle; if so, this will be advised at assembly, and checked at the start.

Dog walkers, cyclists, horse-riders and farm vehicles use the area. Please be aware of other users.

**Safety Bearing:** If you get badly lost, follow a compass bearing south-east, till you reach the vehicle track by Loch Thom

**First Aid:** Provided by a Trained First Aider from Clydeside Orienteers, aided if required by First Aiders from Greenock Cut Visitors Centre Staff.

Any competitor with an existing high risk medical condition, please send an email to [info@clydesideorienteers.org.uk](mailto:info@clydesideorienteers.org.uk) to inform us of such. This information will be kept confidential.

**A&E:** Inverclyde Royal Hospital, Larkfield Road, Greenock PA16 0XN

**Map:** ISOM Scale 1:10,000 Contours 5m. A3 size for all courses.

Special symbols:     ×     Man made post     ◆     High mast

**Terrain:** Dunrod Hill is a large area of open moorland, with significant contour, rock and water detail, and very little vegetation. There are some patches of heather, but these are generally very runnable and are not separately mapped. Competitors should beware of some unmapped narrow streams concealed by grass, and there are also a few loose strands of farmer's wire in places. All courses have been planned to avoid a steep ravine in the north of the area.

White and Yellow courses have a taped route between two controls in order to ascend the hill. Please make juniors aware of this prior to their runs.

Permitted barbed-wire fence crossing points are marked on the map and these **MUST** be used for the protection of both competitors and fencing. On some legs there will be a choice of crossing points. Sections of fencing that must not be crossed (between crossing points) are marked with purple overprint. Other fences and walls may be crossed at any point. Please report any damage to Registration.

Please be aware that this is lambing season. Some fields may have sheep and lambs. The farmers have given permission for the area to be used but please avoid lambs where possible.
