

# SAFETY AND URBAN ORIENTEERING

We put on these events for your enjoyment.

This event takes place on open roads. All courses may involve crossing roads none of which have been closed to traffic. You are responsible for your own safety, and that of any juniors in your care.

We have as much right to be there as other road users and pedestrians. Be cautious and courteous.

Parents of Under 16s should either shadow them or be happy that their charges are competent to safely cross roads on their own in the heat of competition. Unaccompanied Under 16s should complete and hand in a signed parental consent form before starting. These forms are available at registration
